Facility/Site: Bellows AFS LF24, Pier Dump

Subject: Concurrence with Draft Project Completion Report, Bellows Landfill LF24,  
Marine Corps Training Area, Bellows Air Force Station

Dear Mr. Lanning:

This letter is to inform you that the Hawaii Department of Health, (HDOH), Hazard Evaluation and Emergency Response Office (HEER) has reviewed draft Project Completion Report, dated April 13, 2009 describing the response actions taken at the Bellows AFS LF24, Pier Dump site and concurs with the conclusions stated for this site.

Please be aware that if future information reveals that contaminant exposure at the above-mentioned site becomes a threat to public health, the environment, or natural resources, DOH may require additional response actions to be taken.

Should you have any questions concerning this site, please contact me at 586-4251 or [steven.mow@doh.hawaii.gov](mailto:steven.mow@doh.hawaii.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Steven P. Mow".

Steven Mow  
Remedial Project Manager  
Hazard Evaluation and Emergency Response Office
